

Why is it hard to believe that Jesus dealt with your every temptation?

Does temptation have a purpose in your spiritual life?

How often do you feel helpless to temptations? How often do you look for help? Where do you go for help or advice?

Why do you think it is more common for people to believe in God than to believe He is involved in their lives?

How could involving Jesus in your deepest temptations change the way you relate to God, and the way you live your life?

Hye Won Hye "**that which does not burn**"--symbol of imperishability and endurance. This symbol gets its meaning from traditional priests that were able to walk on fire without burning their feet, an inspiration to others to endure and overcome difficulties.
