

TELL ME THE STORY

An Old Testament Journey for Little Learners

Songs—Words Only

"Happy Day"

Hello, hello, welcome everyone. Can't wait to see what today will bring. I'm sure it will be fun.

Hello, hello, what a happy day. Your smiling face tells me this place is where I want to stay.

"Wonderful Stories"

Wonderful story, making me wonder what we will learn today.

We'll see it, we'll taste it, we'll touch it, we'll feel it, we'll hear what God has to say.

Thank you for stories, wonderful stories, learning its glory, wonderful stories.

Can't wait to hear what wonderful stories, starting together and listen to one. Wonderful stories, the story times fun.

[REPEAT the song]

"God's Great Book"

O great big things in God's great book wrote them down so we could look in times of old and know He is a great big God.

He made the world and sent the flood, promised things and showed us love, all because our Father is a great big God.

So I will trust like Abraham and hope like Joseph, obey like Noah did, be kind like Naomi. I believe like Moses and obey like Joshua, be brave like Gideon and love, O love like David.

[REPEAT the song]

"Let's Talk to God"

Now it's time to fold our hands, bow our heads. We understand it's prayer time. Let's talk to God.

[REPEAT the song]

"Gonna Clean It Up"

Gonna clean it up, gonna clean it up, gonna clean it up, gonna clean it up.

Going to pick it up, put it away so we can play with it another day. Going to pick it up, put it away so we can play with it another day.

Gonna clean it up, gonna clean it up, gonna clean it up, gonna clean it up.

"Hold You in My Heart"

Good-bye, good-bye, it's time to go but I'll hold you in my heart, dear friends.

So long, farewell, it won't be long before we will be together again.

We sang, we played, we had an awesome day. And now our time is through, so one more song before we go to sing good-bye to you, you, you, you.

Good-bye, good-bye, it's time to go but I'll hold you in my heart, dear friends.

So long, farewell, it won't be long before we will be together again.
